Definition of “New” Program

- “New” means substantially new activity over the previous year of grant activity.
- Substantially is defined as 51% or more.
- New activity could be providing the activity/service in new geographic locations or 51% of the grant activities/services are different from the previous year of grant activity.

Submitting Match on Application

- Submit your maximum match on your application
- If your agency cannot meet the year two 50 % match level, provide a description of why the match cannot be met in a separate letter and submit it with your grant application.
- The AHSO will assist your agency with identifying potential match options.
